## Become a Magic Maker!

The Fairyland Magic Maker Program brings you inside the magic to see your support in action.

By making a tax-deductible donation in support of Children's Fairyland's nonprofit mission, you'll get to enjoy a special side of the park for an entire year:

- Exclusive donor programming—bring the whole family or enjoy the magic on your own
- Early access to your favorite experiences, like Sleepovers and Summer Camp
- Admission to Children's Fairyland for family and friends
- And More! Read the full details of the Magic Maker Program below!

**Can't make it to the Park or don't have a little one in your immediate household? No problem.**

As a Magic Maker, you can gift all admissions benefits to a loved one or waive them altogether and just join us for the donor-exclusive programs that get you access to the park without a child.
