

Children's Fairyland Service Animal Policy

Children's Fairyland is open to and welcomes everyone. We want every family to be able to navigate and explore the park safely and freely. Therefore, we are committed to ensuring that all grounds, facilities, and programs are accessible to all visitors– and in doing so, it is our policy to comply in all respects with the Americans with Disabilities Act (“ADA”). Although CFL prohibits any non-park animals from entering, exceptions are made for trained service animals, as defined by the ADA.

A service animal is defined by the ADA as any dog or miniature horse that is individually trained to do work or perform tasks for an individual with a disability. In accordance with the ADA, only trained service animals are permitted on CFL grounds. Pets, exotic species, therapy or emotional-support animals are not permitted. The service animal must be fully trained; animals-in-training will not be permitted into CFL.

In order to determine if an animal is a service animal, CFL Staff may ask the following questions:

- Is this a service animal required because of a disability?
- What task or work has this animal been trained to perform?

Your service animal must meet the following requirements:

- Is required because of a disability
- Is trained to perform a specific task to assist with your disability
- Will stay leashed via harness or collar while at CFL
- Is properly vaccinated and licensed by the county

Your responsibility while at CFL

- You are responsible for cleaning up all waste if your service animal eliminates in the park

Thank you for being a part of our community. Please let CFL staff know if you have any questions or concerns regarding ADA accessibility. We want to make your visit as seamless as possible.
