Education Through the Performing Arts

Fairyland's Children's Theatre encourages educational values inherent in the performing arts. It helps engage children in the art of storytelling and increase interest in reading. The program fosters team work, leadership, cultural understanding and confidence, qualities that benefit children throughout their lives.

How and from where did you hear about this Program?

Children's Fairyland in Oakland is holding an audition for children, ages 8 to 10, who like to sing, act and dance.

Auditions: January 25 & 26, 2014
Call Backs: February 1 & 2, 2014

Rehearsals begin in March and performances run from June through October.

Join one of the longest running children's theatres in the Bay Area! Fairyland is looking for 30 enthusiastic children to join its year-round theatre program. Participants will receive over 50 hours of free performance training with professional artist/educators, and perform regularly for the public at Children's Fairyland on our new stage. Performers also represent the park as ambassadors in parades and other public appearances.

Participants will rehearse and perform approximately once every three weekends and some holidays. In addition, they may appear in parades and at other Fairyland events in the community. They will greet visitors, help with rides, paint faces, and assist with arts and crafts at the park.

We welcome you and your friends to audition for our Fairyland Children's Theatre Program. You will have a lot of fun, make new friends and learn to perform.

For the Audition

Prepare a two-minute presentation to demonstrate your most outstanding talents. At least one minute of the presentation must be an oral recitation of a memorized short monologue or poem of your choice. For the remaining minute, you may dance, sing, play a musical instrument, demonstrate another performance skill, or lengthen the oral presentation for an additional minute. A tape/CD player and MP3 jack will be available, should you choose to bring music.

At the Audition

At least one parent or guardian must accompany each child for an initial interview that precedes the two minute presentation.

Selection will be based on talent, enthusiasm, ability to work within a group, and commitment to the rigorous schedule required of each child and family. Our program proudly reflects the diversity of our community.

Time Commitment

Each child must attend all rehearsal weekends in March, April, and May. They will perform every three weekends, including some holidays, from June through October, approximately four rehearsal and eight performance weekends. The children must attend all of their scheduled Children's Theatre rehearsals, performances and official Fairyland events.

Parent Commitment

Both the child and the parents must be committed to the Children's Theatre Program.

- 1 Parents are responsible for paying a \$350 production fee, which covers costs including costumes, which are the performers to keep and photo documentation of the show.
- 2 Parents are responsible for bringing their children to all rehearsals, performances or events without exception.
- 3 Parents must be willing to chaperone at parades or other official, Personalities events.

- 4 Parents will be asked to attend regular meetings for the Children's Theatre Program.
