## Share the love ... adopt a Fairyland animal!

For just pennies per day, you can help us feed and shelter our winged and furry residents. Learn more inside!

### Love our animals? Adopt one!

Have you or your children ever wished for a pony? A rabbit? How about a clever cockatiel or an exotic alpaca? Now you can fulfill that wish—and never have to worry about yard space or cleanup!

The Children's Fairyland Adopt-an-Animal program lets you sponsor one of our park animals for as little as \$30 a year. And that \$30 will go a long way.

You see, every week, our caregivers buy tons of apples, carrots, corn, lettuce, and watermelon to feed our 25 animals—as well as sacks of feed, bales of hay, and fresh mealworms (a treat for Henry the rooster!). Then there are the special foods, like alpaca chow, that ensure that all our animals receive balanced nutrition. The treats and toys that keep them calm and happy. The veterinary care. The maintenance of pens and shelters. It adds up to about \$70,000 a year.

We aren't complaining. After all, Fairyland's animals are pretty special: they're often the first live animals many city kids have ever seen. But we—and our animals—need your help.

It's easy to adopt a Fairyland animal—online or through the mail. Just follow the easy instructions on the reverse side of this brochure!

*"It's great to be able to donate to a worthy organization in a fun way. I love visiting Tina and saying, 'That's my goat!'" – Susan Rodriguez*
