Oswald the Bubble Elf

When I came to Fairyland, all the other characters asked me if I had any special qualifications. I said "YES! I can blow so many bubbles that children could never catch them all!" They wanted to see if that was true, so I climbed atop the biggest mushroom I could find and have been blowing bubbles ever since.

Hee hee, look it's me!
I love blowing bubbles!

Beautiful Puppets

The Storybook Puppet Theater is home to many kinds of puppets that love to perform shows for you. There are three kinds that live here: marionettes, rod puppets, and hand puppets. Many are made right here at Fairyland.
