Old Mother Goose
Old Mother Goose
when she wanted to wander
would ride through the air
on a very fine gander.

She would visit her nursery rhymes and fairytale clan
at a magical place called Fairyland!

Fairyland Buddies

On this page there are 3 different sets of Fairyland Buddies that like to hang out with each other.

Willie the Whale

The baby blue whale with the curly Q tail.
You can stick in his mouth and slide down to his tummy.
You will feel like his lunch and he thinks you are yummy,
But he never chews you or gets you digested.
You can climb out again as soon as you're rested.
Then back you can slide on the inside of him and watch a tank full of little fish swim.
He eats not a bite but he looks astoundly fat.
He's really quite nice: no doubt about that!

If you go down his throat
you will see
the family of fish
that live in his tummy!

Fairyland Fun:
Can you draw a family
of fish inside this circle?

Fairyland Fun:
Point out which buddies go together.

Tweedle Dee & Tweedle Dum - The Two Bad Mice - Two Fairyland Fairies
Mary Had a Little Lamb
Mary had a little lamb,
its fleece was white as snow,
and everywhere that Mary went
the lamb was sure to go.
It followed her to school one day,
that was against the rule,
it made the children laugh and play
to see a lamb at school.

Fairyland Fun:

- How fast can your finger slide around the track 2 times?
- Count how many trolley cars there are.
