

Create, imagine, play, and learn.

Announcing the Fairyland Magic Maker Program

Children’s Fairyland has a new way for you to support the power of stories and play: the Fairyland Magic Maker Program!

The program has two brand new levels to help you find a surprise around every corner while helping the magic of stories and play reach every family across the Town and beyond: **The Glass Slipper** and **The Emerald City**.

By making a tax-deductible donation in support of Children’s Fairyland’s nonprofit mission, you’ll get to enjoy a special side of the park for an entire year:

- **Exclusive donor programming**—bring the whole family or enjoy the magic on your own
- **Early access** to your favorite experiences, like Sleepovers and Summer Camp
- **Admission** to Children’s Fairyland for family and friends
- **And More!** Read the full details of the Magic Maker Program below!

Can’t make it to the Park or don’t have a little one in your immediate household? No problem. As a Magic Maker, you can gift all admissions benefits to a loved one or waive them altogether and just join us for the donor-exclusive programs that get you access to the park without a child.

Don’t wait—**Become a Magic Maker today!**

The Glass Slipper Gift of \$500

With a gift of \$500, you may receive the following benefits:
